Let us jump through the hoops for you.

THE BEST WAY TO LIVE ON THE GO

Create tasks and we'll tick 'em off!

Task us with your "to-dos", send us shopping lists, get us to pick up a parcel, upload a pic of those sneakers you need... get things done without lifting a finger!

Talk to us anytime, even if it's 2am

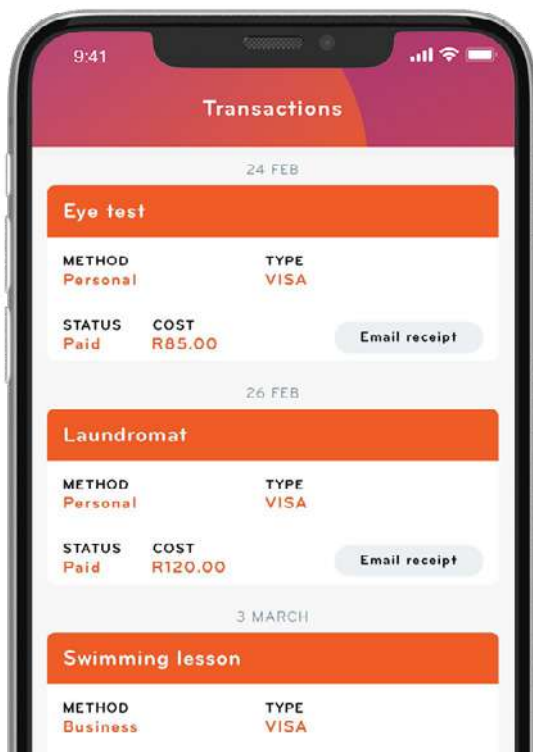

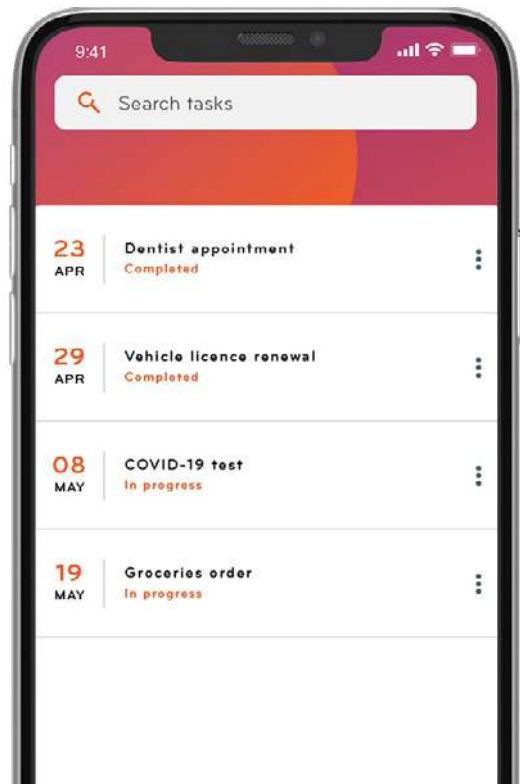

Need it as in yesterday? We'll work on it right away. Losing sleep over it? Leave it to us. Task us anytime, day or night, and we'll get it done in your sleep.

Let us plan your life

Set reminders, check the traffic, arrange a meeting, plan your son's b-day party or locate where you parked your car. We'll manage your day whether you're on the move or kicking back.

Order and pay for everything in-app

Buy groceries, book flights, send flowers, order pizza or source scented face-masks. Pay for it all safely and conveniently in the GetMore app.

GO ON... PUT US TO THE TEST

Ask us anything from...

connecting a wireless device
to harvesting home-grown
veggies to finding a life-sized,
inflatable llama. We share the
same experiences as you, so
who better to ask to help you
out, and save you time and
cash, than us?

There's way more to us
than what we've alluded to.
